

CHARTER AGREEMENT BETWEEN:

Official name of the chartered group
And
National Association for Family & Community Education

The National Association for Family & Community Education (National FCE) is an educational organization that provides training in leadership skills and community action (public policy), as well as many other educational areas. It charters groups at the community or state level to use the FCE name and promote FCE programs, including the FCL program, to their own members as well as the community at large.

National FCE provides the support service necessary to help the chartered group succeed in their use of the program. The responsibilities of both National FCE and the chartered group are described below.

National FCE agrees to	The chartered organization agrees to
<ul style="list-style-type: none">• Provide training and program resources to the chartered organization.• Provide training and support for the chartered organization's official representative as the primary communication link between the organization and National FCE.• Provide general liability insurance to cover participants in FCE sponsored events.• Provide updates and information on what other affiliates are doing to promote FCE's mission.• Maintain networking partnership agreements with other organizations whose mission integrates well into the mission of FCE.	<ul style="list-style-type: none">• Conduct the FCE program according to the guidelines of the National Association for Family & Community Education.• Actively promote the programs of FCE not only to the members of the chartered group, but also to the community at large.• Respect the copyrights and trademarks owned by National FCE and use them in an appropriate manner, asking for permission when applicable.• Abide by the bylaws of National FCE.• Affirm that all members of the group are National FCE members.
