Nancy Kernick -President Report -KAFCE NEWS - JULY, 2022

Congratulations to all Kansas FCE members for reaching out to others and checking on members who are not able to leave their home, by interacting with others. What an inspiration for our FCE members who are thinking inside and outside the box. K-State Research and Extension has been here to help every Kansan thrive and that Mission remains unchanged.

• I appreciate the Kansas FCE Members, as they stand behind the Board members and are united all together. I continue to listen to the members with their ideas and all the considerations for the good of FCE and the impact on what the Board has to do and work with as a blessing to “Network” with so many.

• I attended the SOUTH CENTRAL AREA MEETING on APRIL 25, 2022 in MARION, and the SOUTH EAST AREA MEETING on MAY 17, 2022 in FT SCOTT.

CWC Conference will be in Little Rock, Arkansas on September 19-22, 2022. Is anyone interested in riding a bus to get there and enjoy the sights??? As State President, I reported the current offices for their mailing list.

ACWW - As State President, I watched meetings with Madgie de Kock, the World President.

NAFCE - As State President, I have worked on changes to the NAFCE By-Laws regarding term of office during uncertain times. With the “Be the Spark that Ignites FCE” everyone is looking forward to 2022, in Portland. In January 2022, I accepted to be a member of the NOMINATING COMMITTEE and have responded to the requests for nominations. I mailed information to NAFCE on the Essay and Art Work Contest and the Heart of FCE.

KAFCE NEWS for MARCH 2022, was mailed without any complications. The KAFCE NEWS was emailed to all K-State Extension and Research County/District offices. The next issue will be mailed in July with State Conference Registration. Marcy Price, Webmaster, will update the www.kafce.org website.

KAFCE Board of Directors- I prepared and emailed the Board of Directors notice for the June 3, 2022 meeting via ZOOM and requested all reports be written and emailed to me and Faye Spencer who will send out before the meeting. KAFCE Board Meeting, June 3 2022, was held by ZOOM. The reports will be compiled and sent to Editor Marcy, along with Conference Registration; hopefully we can get the articles to fit their printing schedule.

KAFCE August Mailing- (2023 updated forms) will be emailed to all County Council Presidents, Independent Members, Committee Members, and K-State Extension Agents.

Financial- The treasurer reports throughout the year with updates and budget and the President signs the necessary paperwork to keep the account growing, as we transferred Treasury Savings into checking.

Recognition for Years of Membership and FCE Group Certificates were signed, mailed to Area Directors to present at their Area Spring Meetings.

Thanks to everyone - As I continue on to each new day, I cherish the experience, and are thankful for the other board members who are so willing to listen and have suggestions. As President, there are challenging days in my life, some of them most pleasurable and some are the most frustrating days of my life, as they probably are in your life as well. The most recent was the change in my email - so not easy to notify everyone... and why do we continue to get hacked?? We extend Sympathy those who have lost members this year. If you have any questions, suggestions, ideas or concerns, please let me know.

KAFCE Registrar/Historian

Do you remember what happened in KAFCE 30 years ago? In 1992, Kansas Extension Home-maker Units became Kansas Association for Family and Community Education. Bernis Parker, Riley County was KAFCE President at the time and dealt with a name change and an increase in dues. Bernis is also the longest running member having joined in 1948.

I am collecting records that will be going to the Archives at K-State. I will know more by conference what they keep and how all of records are stored. Save all records and will let you know more later.

When filling out the 2023 Membership Form be sure all lines are filled out and that you have the correct dates as to when you joined, dropped out and rejoined KAFCE. I use those dates to make out your certificate for special years. You do need to be a member in 2023 to receive a special certificate (5 years and up).
