4. If you want, you can price your items following the criteria above. If you choose to have me price them, please give me some idea of how much you feel they are worth.
5. Remember, that it is probably better not to ship heavy items or a lot of glassware.
6. Gently used and new items, crochet and knit items such as stocking caps, headbands, and dishcloths are pretty good sellers. Small signs, wreaths, old metal baking pans and enamel ware in good shape, Pyrex, and small wood items also go very well. Also, other items you feel would sell. Anything helps National FCE.
