

ACWW USA Area Newsletter Spring 2023

Hello USA Area members!

The Triennial is fast approaching! I hope you are as excited about the meeting as I am.

Just a quick note: Cricket Brown from IEHA Indiana - a former state president has 3 white jackets she would like to donate to those who may need for the upcoming triennial. They are sizes 4 6 8. Please contact me and I will put you in contact with her.

I have a few important items for you all:

- Triennial Conference: If you are not able to attend in person, you have the option of signing up for online attendance. You can find the information on the ACWW website. There is a fee which at the time of this letter the cost is \$91.00. You will receive a conference pack, a copy of the program, and additional information. You will also receive an Online conference participant badge. See www.acww.org.uk click on the 'more' tab and there you will find the online conference information and signup form.
- Women Walk the World campaign: Every year, on or around ACWW Day, the 29th of April, ACWW members all over the world join together to raise funds for ACWW and share information about our work with their communities. This event is called Women Walk the World and has been going since 2012. Find information on Women Walk the World on www.acww.org.uk Click on the 'Our Work' tab and then find the Women Walk the World tab. There you will find the information pack for the day.
- Commission on the Status of Women 67: ACWW participated in the CSW67 held in New York. There are a few of the sessions on the website at www.acww.org.uk/csw67 I did have a little trouble getting a couple of them to play.
- There are still a few organizations that have not nominated a Society Coordinator. The coordinators are doing a good job of bringing information from societies to me and ACWW. Likewise, the coordinators have received a lot of information to share with their membership. If you have not nominated a coordinator, please consider doing so.

See you all in Malaysia! (Or online!)
